CATALOG REQUIREMENTS FOR INDIVIDUALIZED MAJOR

(2006/7)

Qualifications for Admission and Other Requirements - Students with a grade point average of 2.0 or higher may apply for an individualized major. The 36 concentration credits numbered 200 or above may come from two or more departments in the University. At least 18 of the credits shall come from departments of this College. Students must earn a grade point average of 2.5 or better in the 36 concentration credits. The student may include no more than 6 credits of independent study nor more than 12 credits of field work. All students with an approved individualized major plan of study must complete a capstone course as part of their concentration credits: they must register for INTD 295W (INTD 296W for honors students or students doing distinction projects) during their last academic year. (Double majors and additional degree students may meet the capstone course requirement by substitution if they register for a capstone course or thesis in the final year of their other major/degree.)

Admissions Process and Recommendations - Students may submit proposals for admission to the individualized major once they achieve third semester status and may be admitted after completing three semesters of work (45 credits). The latest they may submit proposals is prior to beginning their final 30 credits of study. Internship, field work, research, or study abroad is recommended as part of the proposed plan of study. The proposed field of concentration must show coherence of subject matter or principle and have academic merit. For further information and application forms, see the Individualized Major website at: <http://www.imjr.uconn.edu/> or contact the Individualized Major Program Director at (860) 486-3631.

The University's basic **Computer Technology competency** entrance expectations are considered to be adequate for Individualized Majors in general. However, Individualized Majors are required to consider if more advanced Computer Technology competency is required for their major and, if yes, specify as part of their plan of study how they will achieve it.

To satisfy the **Information Literacy competency**, all majors must take INTD 295W (or INTD 296W). In addition, all majors must include one research methods or research course in their plans of study. (Double majors and additional degree students may choose to satisfy the Information Literacy competency outside the Individualized Major.)

To satisfy the **Writing in the Major requirement**, all students must nominate one other 200-level course in which they will write in a relevant academic discipline (where feasible, this course should be a W course) and, in addition, take INTD 295W (or INTD 296W). (Double majors and additional degree students may choose to satisfy the exit level Writing in the Major competency outside the Individualized Major.)

- 1 What is your current Total GPA? Credits completed?
Credits transferred?
- 2 Have you included at least 18 credits in your 36 credits of preferred courses (plan A above) from CLAS?
- 3 Have you included more than 6 credits of independent study?
- 4 Have you included more than 12 credits of field work (including internships)?
- 5 CAPSTONE REQ: How will you satisfy your capstone course requirement?
 If you are seeking approval to complete your capstone requirement other than through INTD 295W or INTD 296W, please explain your alternative:
- 6 RESEARCH METHODS REQ: How will you satisfy the research methods or research course requirement? This course should be taught by a dept. in which you plan to take a few 200-level courses as part of your plan of study.
- 7 EXPERIENTIAL LEARNING: Briefly explain any internship, field experience or study abroad that you have planned.

 Will your internship, field experience or study abroad be for credit?
- 8 WRITING REQ: In addition to your capstone course, which 200-level course do you nominate to satisfy the Writing in the Major requirement?
- 9 Is more advanced Computer Technology competency reqd. for your IMJR? If so, which courses will support your enhanced competency?
- 10 DOUBLE MAJOR OR ADDITIONAL DEGREE STUDENTS: Have you filled out a double major or additional degree worksheet?
- 11 HONORS STUDENTS: Do you plan to fulfill your Honors requirements in your IMJR?
 If yes, please mark with H, those courses in Part A that will meet the 12 credit requirement.

PLEASE NOTE: YOU APPLICATION WILL BE CONSIDERED BY THE INDIVIDUALIZED MAJOR COMMITTEE. ACCEPTANCE INTO THE PROGRAM IS BASED ON THE QUALITY, ACADEMIC MERIT, COHERENCE, AND FEASIBILITY OF YOUR PROPOSED MAJOR AS EXPRESSED IN THIS PLAN OF STUDY AND YOUR STATEMENT OF PURPOSE. ANY CHANGES TO YOUR PROGRAM ONCE IT HAS BEEN ACCEPTED FOR ADMISSION MUST BE APPROVED BY AT LEAST ONE OF YOUR ADVISORS; THE PROGRAM DIRECTOR WILL ADVISE YOU WHICH OTHER ADVISOR(S) MUST BE CONSULTED. THE INDIVIDUALIZED MAJOR COMMITTEE MUST APPROVE ANY CHANGED PLAN IF THE CONCEPT OF THE MAJOR IS ALTERED.
