

INDIVIDUALIZED MAJOR

International Trade

REQUIRED COURSES

The Individualized Major consists of at least 36 credits at the 200-level (from 2008: 2000-level or higher); at least 18 credits must be offered by the College which will be granting your degree.

Research Methods

You must include a research methods or research course to satisfy part of your information literacy competency requirement. Possible courses include: ECON 218 AND ECON 219 (Intermediate Micro and Macro); SOCI 205 Methods of Social Research.

Capstone

Every Individualized Major must satisfy a capstone requirement. Therefore, your plan of study must include INTD 295W (the Individualized Major Capstone course), INTD 296W (a senior thesis), or an acceptable alternative.

Writing

Beside the capstone, you must have one other "W" or writing-intensive course in your plan of study.

Experiential Learning

Study abroad, internships, and/or research are strongly recommended.

Foreign Language

In any international field of study, advanced foreign language skills are strongly recommended.
